RE: Capacity Decrease

Dear David:

Your request to decrease the license capacity at Finley by 45,000 bushels to reflect the deletion of bins 104, 105, 106, 107, 108 in Sec C - temporarily leased to Mayport Farmers Co-op for receiving beans is approved. With this change your licensed capacity is now 2,250,000 bushels at Finley effective immediately. This is a temporary decrease effective until December 31, 2008.

Thank you for your continued cooperation. Please review the space identified above and if you find any errors or have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
