RE: Capacity Decrease

Dear Craig:

Your request to decrease the license capacity at Garske by 89,000 bushels to reflect the deletion of bins 202, 203, 204 (Leeds receiving station), 303, 304, and 305 (Wakefield bin site) in Section C is approved. With this change your licensed capacity is now 277,000 bushels at Garske effective September 12, 2008.

Thank you for your continued cooperation. Please review the space identified above and if you find any errors or have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter  
Licensing Division
