● **Comments:** Attached is the statement of capacity for your company and the addition of the 2 tanks for black bean storage at Cummings Ag increases the capacity to 630,000 bushels. The current bond of \$290,000 allows for a maximum capacity of 700,000 bushels. A 2 page diagram of the Cummings Ag facility is also included. Please review the attached information for accuracy and acceptance. PLEASE RESPOND BY Wednesday 10/29/08 REQUESTING ADDITION OF THE TANKS at Cummings Ag to the company license. The Licensing Division policy provides for a three day window to allow for correction of licensing irregularities before further action such as a staff complaint is considered. Please contact me if questions arise or additional assistance is required. Thank you,
