RE: Capacity Increase

Dear Craig:

Your request to increase the license capacity at Grafton by 66,000 bushels to reflect the addition of two 33,000 bushel bins located at Cummings Ag used to store black beans is approved. With this change your licensed capacity is now 84,000 bushels at Grafton effective November 4, 2008.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
