**RE: United Fire & Casualty Company
Roving Grain Buyer Bond No. 55198793**

Dear Mr. Bazan:

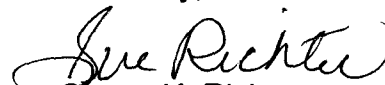

This is to inform you that the Commission received a cancellation notice on your roving grain buyer bond. NDCC Section 60-02.1-09 provides for the automatic suspension of a roving grain buyer license for failure to maintain a bond in the amount and type required. You must file a new bond or proof that your present bond will remain in effect no later than **July 8, 2009**, or the Commission, without hearing, will immediately suspend your roving grain buyer license and you cannot purchase or market grain.

North Dakota Century Code § 60-02.1-09 also provides that if a new bond or proof that your present bond will remain in effect is not received **before August 8, 2009**, your roving grain buyer license will automatically be revoked. If you wish to operate as a roving grain buyer in North Dakota after this date, you must apply for and be issued a new roving grain buyer license.

If you choose to cancel your roving grain buyer license, you must submit a written request to the Commission asking that your license be cancelled. Please submit this request before July 8, 2009.

If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
