RE: Capacity Increase

Dear Keith:

Your request to increase the license capacity at Marion by 182,000 bushels to reflect the addition of tank 309 totaling 296,000 bushel in Section B and the deletion of tanks 402 and 403 totaling 114,000 bushels in Section B is approved. With these changes your licensed capacity is now 1,011,000 bushels at Marion effective December 4, 2008.

The licensed capacity at Marion will be decreased by 250,000 bushels from 1,011,000 bushels to 761,000 bushels effective May 31, 2009, to reflect the deletion of the temporary ground storage approved in our December 4, 2008 letter.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
