Dear Ms Sue Richter,

RE: Cancel request for temporary grain storage

You are hereby notified that Dahlen Farmers Elevator at Dahlen, ND did not need to pile any grain on the ground. We were issued a permit from your office to use ground storage, but did not store any grain outside our licensed facility.

Rail transportation arrived in time, and several area elevators had additional space so we were able to get through harvest without utilizing any ground storage.

Please inform us of any additional documentation that is required to complete this process. If we do not receive any further correspondence from your office we will assume this matter is completed.

Sincerely,

A handwritten signature in cursive script that reads "L.J. Peterson".

L.J. (Pete) Peterson, Mgr
