RE: Capacity Decrease

Dear Mr. Peterson:

In your November 19, 2008 letter, you notified the Commission that Dahlen Farmers Elevator did not pile any grain on the ground for the 2008 harvest because of adequate rail transportation. Therefore, we consider your September 19, 2008 letter requesting to add and our September 24, 2008 letter approving the ground storage both rescinded. The licensed capacity for Dahlen Farmers Elevator, at Dahlen will remain 350,000 bushels. Further, the bond rider temporarily increasing your bond from \$255,000 to \$270,000 is not needed.

Thank you for your continued cooperation. Please call me at 701-328-4097 if you have any questions.

Sincerely,

Susan K. Richter
