RE: Discontinue Business – Colgate, ND
Thompsons USA Limited

The Licensing Division received a Request to Discontinue Business from Thompsons USA Limited, East Grand Forks, MN, for its facility at Colgate, North Dakota. Thompsons USA Limited will no longer license a facility for receiving dry edible beans in North Dakota. Thompsons USA Limited has no outstanding storage obligations. All dry edible bean purchases in North Dakota will be transacted under their roving grain buyer license (A roving grain buyer license application will be approved on the July 2, 2008 Consent Agenda.)

I recommend the request be approved. A corresponding motion and order are attached.
