RE: Capacity Increase

Dear David:

As reflected in the Bin Charts and Statement of Capacities revised September 2, 2008, the licensed capacity of Bremen has been increased to reflect the addition of quonset 300 in Section K. With this change your licensed capacity is now 445,000 bushels at Bremen effective immediately.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
