RE: Capacity Decrease

Dear David:

Your request to decrease the license capacity at Barlow by 22,000 bushels to reflect the deletion of bin 6 in Section F which has been leased to Richland Organics for use as a receiving station is approved. With this change your licensed capacity is now 1,039,000 bushels at Barlow effective immediately.

Thank you for your continued cooperation. Please review the space identified above and if you find any errors or have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
