RE: Capacity Increase

Dear Ron:

Your request to increase the license capacity at Lidgerwood by 430,000 (including pack) bushels to reflect the addition of a new bin, 90 foot in diameter X 70 foot dept to eve which is located next to bin 109 in Section C is approved. With this change your licensed capacity is now 3,909,000 bushels at Lidgerwood effective November 24, 2008.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter  
Licensing Division
