

Date November 3, 2008

Public Service Commission
600 E. Boulevard Ave. Dept. 408
Bismarck, ND 58504-0480

The Fullerton Farmers Elevator requests permission to increase its capacity by 2,000,000 bushels from 2,908,000 bushels to 4,908,000 bushels.

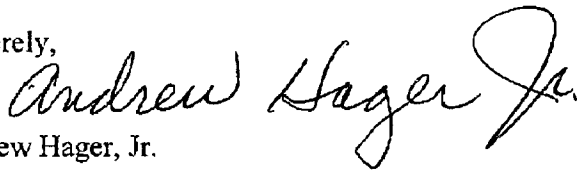

This is for:

*PERMANENT STORAGE.

*TEMPORARY STORAGE XX EFFECTIVE__November 3, 2008 and to terminate February 15, 2009.

If ground storage, type of grain Corn, location of pile, adjacent to West Wing on surface type, packed earth.

Sincerely,

Andrew Hager, Jr.
Manager

*Permanent or temporary refers to the length of time for which the bond increase is needed, not the storage facility structure.
