**Subject:** Fullerton Farmers Elevator increase request

Re: Fullerton Farmers Elevator

I talked to Andrew Hager, Jr. about the termination date on his request dated 11/18/08.

He said it is okay to change the termination date to February 15, 2009 to be consistent with his other temporary increase.

Request - Temporary Capacity Increase (1,125,000  
Bushels) from 11/18/2008 - 2/15/2009

Date November 18, 2008

Public Service Commission  
600 E. Boulevard Ave. Dept. 408  
Bismarck, ND 58504-0480

The Fullerton Farmers Elevator requests permission to increase its capacity by 1,125,000 bushels from 4,920,000 bushels to 6,045,000 bushels.

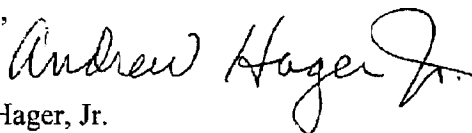

This is for:

\*PERMANENT STORAGE.

\*TEMPORARY STORAGE XX EFFECTIVE \_\_\_ November 18, 2008 and to terminate ~~March~~ 15, 2009.

If ground storage, type of grain, Corn, location of pile, 2 blocks east and 1 block north of main plant on surface type, packed earth.

Sincerely,

Andrew Hager, Jr.  
Manager

\*Permanent or temporary refers to the length of time for which the bond increase is needed, not the storage facility structure.
