RE: Capacity Increase

Dear Richard:

Your request to increase the license capacity at Berlin by 100,000 bushels to reflect the addition of ground storage for soybeans located one block east and one block north of the elevator on grass surface is approved. With this change your licensed capacity is now 846,000 bushels at Berlin effective immediately.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
