RE: Capacity Increase

Dear Sonia:

Your request to increase the license capacity at Crete by 200,000 bushels to reflect the addition of temporary ground pile #1 is approved. With this change your licensed capacity is now 1,475,000 bushels at Crete effective November 17, 2008.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter  
Licensing Division
