RE: Capacity Increase

Dear Sonia:

Your request to increase the license capacity at Crete by 52,000 bushels to reflect the addition of bin 16 in Section B - PSC bin charts (Section C - CCC bin charts) is approved. With this change your licensed capacity is now 1,527,000 bushels at Crete effective March 18, 2009.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
