RE: Capacity Decrease

Dear Sonia:

Your request to decrease the license capacity at Crete by 200,000 bushels to reflect the deletion of temporary ground pile #1 is approved. With this change your licensed capacity is now 1,327,000 bushels at Crete effective immediately.

Thank you for your continued cooperation. Please review the space identified above and if you find any errors or have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
