RE: Capacity Increase

Dear Tom:

Your request to increase the license capacity at Grafton by 164,000 bushels to reflect new construction is approved. The licensed space for Grabanski Grain, LLC will now consist of bins 001 - 008 in Section A. With this change your licensed capacity is now 439,000 bushels at Grafton effective September 29, 2008.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
