RE: Capacity Increase

Dear Mike:

Your request to increase the license capacity at Bisbee by 337,000 bushels to reflect the addition of new construction identified as bins 101-108 in Section Y & PSC calculations is approved. The licensed space at Bisbee consists of Section W - 109,000 bu.; Section X ground storage - 328,000 bu.; Section Y - 2,106,000 bu.; Section Z - 33,000 bu. is approved. With this change your licensed capacity is now 2,576,000 bushels at Bisbee effective October 17, 2008.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
