RE: Capacity Decrease

Dear Mike:

Your request to decrease the license capacity at Perth by 29,000 bushels to reflect the PSC calculations (licensed space consists of Section Q) is approved. With this change your licensed capacity is now 102,000 bushels at Perth effective October 17, 2008.

Thank you for your continued cooperation. Please review the space identified above and if you find any errors or have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
