RE: Discontinue Business – St. Thomas, ND
St Thomas Grain, Inc.

The Licensing Division received a Request to Discontinue Business from St Thomas Grain, Inc., St. Thomas, ND, for its facility at St. Thomas, North Dakota. The owner no longer wants to operate the elevator and hopes to sell it. There are no outstanding storage obligations.

The owner notified his insurance company that he was closing the business which prompted a cancellation notice on his grain insurance. St. Thomas Grain, Inc. had until June 30, 2008 to file a request to discontinue business, a new insurance policy, or proof that the present insurance policy would remain in effect. The Licensing Division received a request to discontinue business on June 30, 2008.

I recommend the request be approved. A corresponding motion and order are attached.
