RE: Capacity Increase

Dear Ron:

Your request to increase the license capacity at Sharon by 54,000 bushels to reflect the addition of flat 101 located SW of office across tracks (39' X 199') in Section C and delete bin 205 in Section C is approved. With this change your licensed capacity is now 108,000 bushels at Sharon effective October 20, 2008.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter  
Licensing Division
