RE: Capacity Decrease

Dear Stephanie:

Your request to decrease the license capacity at Hatton by 20,000 bushels to reflect the deletion of bins 1, 2, 7, and 8 in Section C which are being leased to Central Valley Bean for a receiving station for pinto beans is approved. With this change your licensed capacity is now 949,000 bushels at Hatton effective October 1, 2008. This is a temporary decrease effective until November 30, 2008.

Thank you for your continued cooperation. Please review the space identified above and if you find any errors or have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
