RE: Capacity Increase

Dear Stacy:

Your request to increase the license capacity at Powers Lake by 16,000 bushels to reflect the addition of new tanks #11 and #12 in Section B is approved. With this change your licensed capacity is now 358,000 bushels at Powers Lake effective November 19, 2008.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
