RE: Renville Elevator Company - Capacity Increase

Dear Stacy:

Your request to increase the license capacity at Tolley by 452,000 bushels to reflect new construction consisting of 2 new tanks in Section A and 10 new hopper bins in Section C is approved. With this change your licensed capacity is now 1,221,000 bushels at Tolley effective immediately.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
