RE: Capacity Increase

Dear Ron:

Your request to increase the license capacity at Sutton by 746,000 bushels to reflect new construction identified as bin no. 808 in Section A in the Commission bin charts and diagrams is approved. With this change your licensed capacity is now 1,486,000 bushels at Sutton effective immediately.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
