RE: Capacity Increase

Dear Marvin:

Your request to increase the license capacity at Garske by 75,000 bushels to reflect the addition of two new bins, 300G7 and 300G8 in Section A, is approved. With this change your licensed capacity is now 475,000 bushels at Garske effective October 1, 2008.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
