RE: Capacity Increase

Dear Stephanie:

Your request to increase the license capacity at Johnstown by 57,000 bushels to reflect the addition of the Scott warehouse (Section G) and reflect PSC calculations is approved. Your licensed space will consist of Section A - 152,000 bushels, Section B - 207,000 bushels, Section C - 215,000 bushels, Section D - 100,000 bushels, Section F - 15,000 bushels, Section G - 41,000 bushels, and Section L - 16,000 bushels. With this change your licensed capacity is now 746,000 bushels at Johnstown effective immediately.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
