RE: Capacity Increase

Dear Gary:

Your request to increase the license capacity at Buxton by 234,000 bushels to reflect the addition of Galegher north & south flat warehouse, Section F Lakota receiving, Washburn receiving station, and adjust remaining space is approved. With this change your licensed capacity is now 2,130,000 bushels at Buxton effective immediately.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
