RE: Capacity Decrease

Dear Gary:

Your request to decrease the license capacity at Buxton by 20,000 bushels to reflect the deletion of your receiving station at Hatton consisting of bins 1, 2, 7 and 8 in Section C is approved. With this change your licensed capacity is now 2,110,000 bushels at Buxton effective January 23, 2009.

Thank you for your continued cooperation. Please review the space identified above and if you find any errors or have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
