RE: Capacity Increase

Dear Brad:

The license capacity at Brinsmade has been increased by 3,000 bushels to reflect PSC calculations (Section H consisting of 2 bins B44 and B45). With this change your licensed capacity is now 83,000 bushels at Brinsmade effective immediately.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
