RE: Capacity Increase

Dear Randy:

Your request to increase the license capacity at your Fargo facility by 14,670 bushels to reflect the deletion of two 10,000 bushel bins identified as 79 and 106 in Section C (D & P Terminal leased site - added in error on 9/17/08) and addition of bin 10 (34,670 bushels) in Section H leased from Colfax Farmers Elevator for use as a receiving station is approved. With this change your licensed capacity is now 1,178,670 bushels at Fargo effective immediately.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter  
Licensing Division
