RE: Capacity Increase

Dear Glen:

Your request to increase the license capacity at Embden by 104,000 bushels to reflect the addition of a new 176,000 bushel bin located north of the main elevator, deletion of two bins leased from Beilke's, and an adjustment to your capacity as calculated in the PSC bin documents dated November 14, 2008 is approved. Embden's licensed space now consists of: Section A - 308,000 bushels and Section B -430,000 bushels. With this change your licensed capacity is now 738,000 bushels at Embden effective November 20, 2008.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
