RE: Capacity Increase

Dear Glen:

Your request to increase the license capacity at Embden by 80,000 bushels to reflect the addition of ground storage for corn located west of the new bin is approved. With this change your licensed capacity is now 813,000 bushels at Embden effective immediately.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter  
Licensing Division
