RE: Capacity Increase

Dear Scott:

Your request to increase the license capacity at Harvey by 539,000 bushels to reflect the addition of two steel bins - 103S and 104S in Section D is approved. With this change your licensed capacity is now 2,878,000 bushels at Harvey effective September 2, 2008.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter  
Licensing Division
