RE: Capacity Increase

Dear Tom:

Your request to increase the license capacity at Fargo by 543,000 bushels to reflect the addition of 51 bins including bins 107 and 108 which hadn't been previously identified on our bin documents and bins which had been leased to Red River Commodities is approved. The licensed space for D & P Terminal, Inc. now consists of bins 4, 6, 8, 13, 18-20, 22-25, 27-79, and 106-108. With this change your licensed capacity is now 653,000 bushels at Fargo effective October 23, 2008.*

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
