RE: Capacity Decrease

Dear Dan:

Your request to decrease the license capacity at Carpio by 50,000 bushels to reflect Public Service Commission calculations as identified in the October 6, 2008 Statement of Capacities is approved. With this change your licensed capacity is now 977,000 bushels at Carpio effective December 5, 2008.

Thank you for your continued cooperation. Please review the space identified above and if you find any errors or have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
