I am writing to request all records held by your offices related to any correspondence, meetings, decision-making or other actions by the Public Service Commission or its staff concerning Technology Crops International ("TCI") since January 1, 2007. Please include any emails, notes, memoranda, letters and any and all documents and records related to TCI.

Please notify me prior to any action taken on this request if costs for production of these documents will exceed \$75.00, and please call with any questions.
