Gackle, ND 58442

RE: Capacity Revision

Dear Jesse:

The license capacity at Gackle has been decreased by a net 145,000 bushels to reflect a 67,000 bushel decrease in internal storage, an 118,000 bushel decrease in bunker storage, and a 40,000 bushel increase in ground storage. With these changes your licensed capacity is now 516,000 bushels at Gackle effective August 28, 2008.

The licensed space at Gackle now consists of Section A – 4 bins totaling 222,000 bushels, Section C – 21 bins totaling 122,000 bushels, Section G – 82,000 bushel bunker, Section S – 8 feed tanks totaling 20,000 bushels and 70,000 bushels of ground storage. Enclosed is a revised set of bin charts and diagrams. Please review these documents for accuracy. If these documents are not correct, please let us know.

Thank you for your continued cooperation. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter  
Licensing Division
