RE: Wireless E911 Deployment – 2<sup>nd</sup> Quarter 2008

Dear Commissioners:

This service quality report serves to update the North Dakota Public Service Commission on Badlands Cellular of North Dakota Limited Partnership's ("ND4 LP") ongoing efforts to implement E911 service during 2<sup>nd</sup> Quarter 2008. To date, there have been no additional Phase II or Phase I requests for E911 service for the counties that make up ND4 LP's designated service area.

Please contact me at 678-339-4478, if you have questions.

Sincerely,

A handwritten signature in cursive script, appearing to read "Diana Stevens".
