RE: Wireless E911 Deployment – 3rd Quarter 2008

Dear Commissioners:

This service quality report serves to update the North Dakota Public Service Commission on Badlands Cellular of North Dakota Limited Partnership's ("ND4 LP") ongoing efforts to implement E911 service during 3rd Quarter 2008. To date, there have been no additional Phase II or Phase I requests for E911 service for the counties that make up ND4 LP's designated service area.

Please contact me at 678-339-4478, if you have questions.

Sincerely,

Diana Stevens
Manager – Partnership Relations and Accounting
on behalf of Badlands Cellular of North Dakota LP
