RE: Capacity Increase

Dear Brian:

The license capacities at Wilton, Regan, and Washburn have been increased to reflect the capacities identified in the Public Service Commission's November 3, 2008 bin documents. Effective immediately, the licensed capacity is now 891,000 bushels at Wilton, 532,000 bushels at Regan, and 326,000 bushels at Washburn.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter  
Licensing Division
