RE: Capacity Increase

Dear Randall:

Your request to increase the license capacity at Grafton by 275,000 bushels to reflect the addition of the Offutt Potato Farm potato warehouse located at 7031 Highway 81 is approved. With this change your licensed capacity is now 1,480,333 bushels at Grafton effective immediately.

A set of bin charts, diagrams, and a statement of capacities for all of the ADM Edible Bean Specialties, Inc. facilities was prepared and mailed to Grafton on September 11, 2008. When you have a chance, please review these documents and provide a written request for any changes that should be made.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
