RE: Storage Capacity

This letter is to request the following changes in our storage capacity:

1. Delete the remaining ground storage of 83,000 bushels
2. Delete one 26,000 bushel bin (Terry's bin #5) located west of the elevator
3. Delete one 16,000 bushel bin (Terry's bin #2) located in Terry's yard
4. Delete one 26,000 bushel bin (Terry's bin #6) located west of the elevator
5. Delete one 16,000 bushel bin (Bin #7) located in Terry's yard by the three south hopper bins
6. Delete one 26,000 bushel bin (Bin #1) located west of the elevator and west of the 105,000 bushel bin

This should put our storage back at 437,000 bushels. All of our ground storage has been picked up and the added bins have been emptied.

If you have any questions please call.

Sincerely,

James A. Schlosser
Manager
