RE: Capacity Increase

Dear Brian:

Your request to increase the license capacity at McClusky by 16,000 bushels to reflect the addition of four new hopper tanks in Section A is approved. With this change your licensed capacity is now 307,000 bushels at McClusky effective January 1, 2009.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
