RE: Capacity Increase

Dear Gary:

Your request to increase the license capacity at Pekin by 98,000 bushels to reflect the addition of bins 401 and 402 in Section A is approved. With this change your licensed capacity is now 464,000 bushels at Pekin effective November 5, 2008.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter  
Licensing Division
