RE: Discontinue Business – Roving Grain Buyer  
Safflower Technologies International, LLC, Sidney, Montana

The Licensing Division received a Request to Discontinue Business from Safflower Technologies International, LLC of Sidney, Montana. The licensee informed the Commission that they do not need a roving grain buyer license since all North Dakota grain purchases are handled through their grain warehouse license at East Fairview, North Dakota.

I recommend the request be approved. A corresponding motion and order are attached.
