RE: Capacity Increase

Dear Jason:

Your request to increase the license capacity at Adrian by 256,100 bushels to reflect the deletion of bins 101-105, 107-111, and 303 in Section A and addition of bins 206, 207, 301, and 302 in Section A is approved. Your licensed space is identified in the attached bin chart and statement of capacities. With these changes your licensed capacity is now 499,000 bushels at Adrian effective October 20, 2008.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

  
Susan K. Richter
