RE: Discontinue Business
ConAgra Foods, Inc.

The Licensing Division received a Request to Discontinue Business as a facility-based grain buyer from ConAgra Foods, Inc., Omaha, NE, for its facilities at Carrington, Grand Forks, Jamestown and Valley City, North Dakota. ConAgra Foods, Inc. has been sold to and will be licensed by Gavilon Grain, LLC.

The paperwork is in order and I recommend the request be approved. A corresponding motion and order are attached.
